

decide\_score\_1\_game

```
graph LR; A[decide_score_1_game] --> B[event_1]
```

A flowchart with two rectangular nodes. The first node, on the left, is filled with a light gray color and has a black border. It contains the text 'decide\_score\_1\_game'. A dark blue arrow points from the right side of this node to the left side of the second node. The second node, on the right, is white with a black border and contains the text 'event\_1'.

event\_1
